

May 1st, 2021

Decatur Christian Towers staff and ownership are thankful to all our residents, family and friends for your support and collaboration during this lengthy health crisis. This community has achieved a high level of vaccinated residents. While all remain vigilant, there is opportunity to expand our visitation and assist residents in reconnecting with family and friends.

The following guidelines continue in this community for all residents, visitors, and vendors:

- Masks are to be worn in common areas by staff, residents, visitors and vendors.
- Maintain separation in your circulation and social interactions with others.
- Comply with posted occupancy limitations.
- All visitors may be received in the resident's apartment.

This organization's position is subject to change as government health officials update guidelines. Residents will be notified if other residents or staff report a COVID-19 diagnosis. Should you have specific questions, please reach out to decaturtowers@gmail.com and staff will respond promptly.

Thank you.

Kyle Huhtanen
Executive Director
Decatur Church of Christ Senior Housing Inc.
